

**BUREAU OF NONPROLIFERATION (NP/ECC)
OFFICE OF EXPORT CONTROL COOPERATION**

Foreign Affairs Officer - Program Management - Personal Service Contract (PSC)

The Office of Export Control Cooperation, Bureau of Nonproliferation (NP/ECC) is seeking resumes of individuals with experience in the area of export controls, border security, and/or program management for two personal services contract (PSC) positions in NP/ECC offices in Washington, D.C. Some overseas travel is required. Primary duties include planning and management of various interagency and contractor provided activities related to the development of export controls for conventional arms and dual-use goods and technologies as they relate to the prevention of the proliferation of WMD and advanced conventional weapons. The position is to be funded by the Bureau of Nonproliferation and the incumbent will report directly to a Regional Team leader.
